THE DRUM AND THE ARBOR

The Drum

The drum is the heartbeat of the ceremony—its steady, resonant rhythm grounds us in the flow of life. It connects the physical and spiritual realms, guiding participants into deeper states of consciousness and alignment.

The Arbor

The arbor is a container for transformation, where you leave the outside world behind and enter a sacred space of intention, healing, and renewal. It represents unity, wholeness, and the interconnectedness of all life, supporting a clear channel for intention.
